

This year we have shifted to a completely paperless system, so in order to access your information you will need to follow the steps listed below:

First go to: <http://www.ecsi.net/>

Click on the Students link. From there you will click on VIEW TAX INFORMATION. This will take you to a general knowledge page. From there you will click login (at the top) or logging in (under General Announcement).

Your school code will always be N7.

The account number is your Social Security Number

PIN – is the number sent to the student (this number is sent directly from ECSI and **Flagler does not have access to this information**)

If you do not have any piece of this information, click on the “Need help logging in?” area. Fill in the requested data and it will provide you any missing log in information.

If you have any trouble accessing your form from ECSI, you can contact customer service at 1-866-428-1098 or [cservice@ecsi.net](mailto:cservice@ecsi.net).

**\*\*\*Please note\*\*\***The 1098-T reflects any charges placed on your account in 2010, less any “free” money disbursed to you in 2010 (Ex. Pell, FRAG, Scholarships). If “free” aid exceeded the tuition placed on your account, a 1098-T is not issued for that year. Please be aware, this information reflects your “qualified” education expenses and is all we are able to provide you for tax purposes.
