Flagler College is a fully accredited, co-educational, private liberal arts college of about 2600 students representing 47 states and 42 countries. Flagler is located in the historic city of Saint Augustine on the Atlantic coast of Florida in the United States, approximately two hours from Orlando. Its most popular undergraduate majors include business administration, communications/journalism, sports management, psychology, education and visual and performing arts. Internships are a critical part of most curricula and contribute greatly to student success upon graduation. Not only do students come to Flagler to earn a degree, but they also come to have an “educational experience,” one that is enriched by the size of our college, the quality of our programs and services, the commitment of our talented and dedicated faculty and staff, and the ideal location in St. Augustine – our nation’s oldest city.

**Scholarships:** The Flagler experience is offered at a cost that is almost half that of comparable private colleges and on par with most large public universities. That’s why Flagler College is consistently recognized by a variety of respected publications and journals as being one of the best college values in the nation. Athletic scholarships can be awarded to international students as we are members of the NCAA Division II: Men - baseball, basketball, cross country, golf, soccer, tennis. Women - basketball, cross country, golf, soccer, tennis, volleyball, softball. Contact information for coaches can be found at http://www.flaglerathletics.com/

**Admission** to Flagler College is selective. Flagler’s process of student selection is not solely determined by a matrix of GPA’s and test scores. Our goal in the admissions process is to identify those students who appear most likely to benefit from and contribute to the academic and student life programs of our College. The transcript is the most important item in the decision process. The student should have a well-rounded college preparatory program with a better than average grade point average. Of great importance are letters of recommendation and extracurricular activities, as Flagler College seeks students possessing leadership qualities and those who exhibit initiative to be self-starters and contributors to the campus community. SAT/ACT is not a requirement for admission. Find out more admission information at http://www.flagler.edu/admission-aid/index.html

**English Proficiency Requirements:** Students whose first language is not English must submit a TOEFL Score of 79 or higher on the iBT, 6.5 or higher on the IELTS, or 550 or more on the Critical Reading part of the SAT I examination. Students requiring English remediation must complete their Intensive English studies before enrolling at Flagler College.
