Immunization Checklist

If you can answer “yes” to each of these checklist questions, you are ready to mail or fax the Medical Compliance Immunization Form:

1. Is all the information printed and legible?
2. Have I included my Flagler College ID number?
3. Have I listed dates for: Either two MMR vaccinations OR two Measles and one Rubella?
4. Have I been immunized for Meningococcal disease? If yes, was the vaccine given to me after the age of 16? If not, have I received a Meningococcal booster OR have I signed the waiver that I decline the vaccine?
5. Have I completed the Hepatitis B series OR signed the waiver to decline this vaccine?
6. If I am presently under the age of 18, did my parent or guardian sign the waiver on the Student Health History form AND the consent for medical treatment on the Medical Compliance Immunization Form?
7. Has my doctor’s office or the Health Department officially “stamped” the immunization form or another form verifying immunization requirements?
8. Is there an authorized health professional’s signature in place?

Please remember that if your information is incomplete or inaccurate, registration may be delayed or even blocked.

Mail or fax the one-page Medical Compliance Immunization Form and any attachments as soon as possible, preferably three (3) weeks prior to your scheduled orientation session to:
