

HEERF 2 Reporting for Student Portion-Quarter 2

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA).

The relief packages authorized by the federal government include funds, which provide financial support to higher education institutions, as well as directly to students through the Higher Education Emergency Relief Fund (HEERF). A portion of each institution's allocation must be awarded to students in the form of emergency financial aid grants for expenses related to the disruption of campus operations due to the COVID-19 crisis. Information pertaining to the Student Emergency Grants can be located below.

Student Emergency Grant

Flagler College has received \$4,137,808 provided under Section 18004(a)(1) of the CRRSAA Act. Of that amount, at least \$1,354,397 was required to be used for emergency student aid. In distributing these funds, Flagler College followed the instructions and guidance provided by the U.S. Department of Education, Federal Student Aid, and the Certification and Agreement completed by the College. That guidance provides institutions with discretion to develop their own systems and processes for determining how to allocate these funds, subject to certain limitations on student eligibility and expense eligibility. As of June 25, 2021, Flagler College had disbursed \$1,354,434 in HEERF II emergency grants to 2,422 students.

Distribution

The Higher education Emergency Relief Fund (HEERF) was established and funded by the Federal government to provide emergency financial aid grants to students for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health), or child care. Flagler College distributed the HEERF II emergency grants in multiple rounds with an application process that began on March 26, 2021.
