

CONSIDERATIONS

SPECIAL NOTE ON THE USE OF THE IMAGE OF HENRY FLAGLER

Because Flagler College was established as a memorial to Henry M. Flagler, the College prohibits the use of Mr. Flagler's image as a caricature, cartoon or any other visual presentation other than that which is respectful and commensurate with the dignity of the namesake of the College.

THE COLLEGE SEAL

The College Seal pictured above should not be used as an identifying mark for the College. It should only be on official College documents such as diplomas, awards, certificates, and other documents designated by the President or Board of Trustees.

FLAGLER COLLEGE ATHLETIC DEPARTMENT'S MARK

The Athletics Department at Flagler College's marks are complementary to, but separate from, the Primary and Secondary Trademarks. The Athletics Department's mark will use the same colors as the Primary and Secondary Trademarks, but the Primary and Secondary Trademarks should not be used by the Athletic Department. Questions may be directed to John Jordan, Sports Information Director – 904-819-6465, jjordan@flagler.edu.
