

EVIDENCE OF ACCESS FOR FIELD WORK IN GRADUATE LEVEL COURSES

Field work is a necessary component of this program. Some instructors will require you to apply concepts and to complete projects from their classes in areas such as speech production, American Sign Language (ASL) usage in the classroom, and language and communication. You need to identify a placement or placements in a school, camp, clinic, hospital, home school setting, or day care where you may conduct observations, implement course related activities and projects, and/or collect data.

Complete the form below to provide evidence of access to specific student populations.
