

Flagler forward

HONOR ROLL
of DONORS

2023-24

PRESIDENT'S MESSAGE

Dear Flagler Family,

We have enjoyed a monumental year here at the College. The historic launch of our Flagler Forward Campaign, a \$65 million investment in the people, programs and places of our College, completely redefined the scale of our operations and propelled us into a bold new era of energetic growth. The outpouring of support that we have witnessed as a result has been nothing short of inspiring.

I had the special pleasure of experiencing this enthusiasm firsthand during our regional campaign events. As we announced Flagler Forward in several major cities, I met so many devoted friends of the College who deeply impressed me with their desire to help elevate our academic culture. Their passion, and the school pride exhibited by our larger Saints community, is the essence of this Campaign. Already, our students and campus are benefitting enormously.

This past year's transformative advancements reimagined the Flagler experience for a new generation of Saints: 120 new, donor-funded scholarships were created in service of financial aid; the complete renovation of Ponce Hall's East Wing modernized living spaces while also preserving the past for our incoming students; plans are underway for the construction of state-of-the-art locker rooms in our newly renovated Pollard Tennis Center; and the Brown Innovation Center marked one year of multidisciplinary collaboration across campus since its opening last spring.

These milestones are the beginning of our next great evolution. In the pages that follow, you will have the opportunity to learn more about their impact on our campus and students' lives. More than anything, I hope you take pride in these advancements, as they would not be possible without your continued dedication to the College's mission.

Thank you so much for moving us Flagler Forward.

Gratefully,

John A. Delaney
President of Flagler College

GROUNDBREAKING IMPACTS

BROWN INNOVATION CENTER (BIC) CELEBRATES ONE YEAR OF ENTREPRENEURSHIP

Opened in spring of 2023, the BIC is an innovative new facility that fosters multidisciplinary collaboration across campus and provides students with high-tech resources like 3D printers and laser cutters. As a major new addition to Flagler's elevated student experience, it is the home of the ENACTUS entrepreneurship team and hosts high-impact events like Design Week and Business Week. The Center is also the venue for novel passion-projects led by students like Jake Van Clief ('24, pictured bottom left), who turned recycled plastic water bottles into 3D printer filament.

DONOR GIFTS DOUBLE SCHOLARSHIP AID

Since the start of the Flagler Forward campaign, donor-funded financial aid to students has doubled, rising from \$700,000 to \$1.4 million disbursed each year. These numbers will continue to increase over the next few years as new endowments reach maturity and generate annual awards. Additionally, the William R. Kenan, Jr. Charitable Trust's historic, \$12 million gift, which allocated \$2 million for scholarship matches, has led to the establishment of 120 new scholarships to ensure students in need will receive the funds necessary to complete their education.

TENNIS EARNS NATIONAL RECOGNITION

This year, our men's tennis program continued its championship legacy on the heels of major renovations to the Pollard Tennis Center. Following a comprehensive overhaul of the facility's competitive surface, the men's team finished the year ranked nationally at No. 3 among NCAA Division II teams. This was the highest end-of-the-year

ranking for the program in the NCAA Division II era. Going forward, plans are underway to build state-of-the-art locker rooms in the current Pollard Tennis Center. These increased resources will perpetuate our tennis teams' nationwide prestige and provide them with essential training equipment and game spaces.

EAST WING OF PONCE HALL FULLY RENOVATED

After being offline for the 2022-2023 academic year, Ponce Hall's East Wing officially reopened for the Fall semester after a comprehensive renovation. The largest restoration project in College history, construction upgraded the Ponce to maximize room occupancy, modernize living spaces, and create new study spaces (pictured bottom right). The Ponce renovation is a major initiative under President Delaney's leadership and extends across campus to all facilities. This summer, philanthropic support allowed the College to immediately begin renovations on the West Wing of the historic, former hotel and propel the Ponce into a modern future while preserving its unique heritage and architecture.

THANK YOU!

For being one of

3,434

generous donors who came together to raise

\$20,630,738

in FY 2023-24

The Honor Roll of Donors recognizes individuals, companies, foundations and organizations that come together to support a variety of funds and facilities across Flagler College. To celebrate those who have given to the College over the past year, this Honor Roll represents annual giving of \$250 or more since July 1, 2023.

For a complete listing of the Honor Roll of Donors and a special thank you video message from Flagler students, visit www.Flagler.edu/ThankYou.

We make every effort to ensure the accuracy of the Honor Roll of Donors. If we have omitted your name or made an error with regard to your gift, please contact 904.819.6437 or email giving@flagler.edu.

HONOR ROLL of DONORS

HENRY M. FLAGLER

Heritage Society

Members of the Henry M. Flagler Heritage Society are building Flagler College's future while also meeting their own philanthropic and financial goals. Planned gifts provide benefits such as favorable capital gains tax and lifelong income for individuals and families. If you have included Flagler in your will or estate plans and your name does not appear below, please let us know so we may welcome you into the Henry M. Flagler Heritage Society.

To learn more about gifts through securities, retirement plans, retained life estates, bequests/living trusts, charitable trusts, gift annuities or life insurance policies, please contact the Office of Planned Giving at 904.819.6406 or visit **FlaglerGiving.org**.
