GIVING OUR SAINTS THE WORLD

FLAGSHIP:
Reimagining Study Abroad

WHAT IF WE COULD PLACE *the World* IN OUR SAINTS' HANDS?

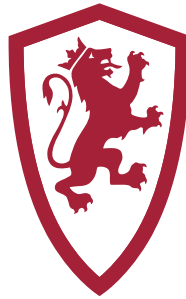

A unique take on the living classroom, the FlagSHIP (Flagler Sophomore High Impact Practice) program takes place during students' sophomore year and is a highly curated experiential learning opportunity that intimately engages history, culture, and place. Each class seeks to illuminate the complex systems and legacies of global civilization, with faculty choosing locales from anywhere in the world and designing one to two-week courses that unfold in conversation with the destination. On any given FlagSHIP, our students are taking part in immersive language classes, visiting heritage sites, conducting field research and material culture analysis, and interacting with local thought leaders and non-governmental organizations.

Re-envisioning STUDY ABROAD

The purpose of FlagSHIP is to cultivate a global perspective and informed, civic mindedness within our student body. Unlike traditional study abroad, FlagSHIP occurs over a highly concentrated 1-2 weeks and functions as an intensive-format program, with each class revolving around an impactful question of value to global society. Courses are offered each Maymester and JanTerm on a pass/fail basis and are independent of major and honors designations, empowering students to explore disciplines beyond their own course of study. FlagSHIP is offered in three formats: Study Abroad; Study Away; and Community Integration. So far, our students have met with local government officials in Bulgaria, investigated homelessness in St. Augustine, and learned about sustainable farming methods in the Azores; and this is only the beginning.

FUNDING SCHOLARSHIP AND THE TRIP OF A *Lifetime*

From boots-on-the-ground research into Jordan's water crisis, to exploring diversity and citizenship on the Indian subcontinent, our Saints are traversing the globe and studying some of the world's most pressing issues. But transformative journeys require major investment. While class price is included in tuition, students must independently cover the logistical costs of their travel, such as flights and accommodation. On average, international FlagSHIP courses start at \$2,500 while domestic study away and community integrated courses average \$2,000. These numbers represent a significant expenditure for the majority of our undergraduate body. Investing in FlagSHIP will provide scholarship aid to Saints who wish to explore the world and permit them to choose the program that best matches their interests regardless of financial circumstance.

THE WORLD IS *Yours* TO GIVE

FlagSHIP Endowed Scholarships are matched one-to-one by the William R. Kenan, Jr. Charitable Trust up to \$100,000. A gift of \$100,000 from a donor plus the Kenan Match will result in a \$200,000 corpus that will generate \$8,000 in annual awards. The minimum investment level to secure a Kenan match for FlagSHIP is \$12,500.
