THE CAMPAIGN FOR  FLAGLER COLLEGE

THE MOST FORWARD FOR LACROSSE & ATHLETES

Imagine what will happen when Flagler's lacrosse programs have state-of-the-art locker rooms, athletic training facilities, and spectator amenities... The student-athlete experience will be second to none, records will continue to be broken, and history will be made.

Beginning with the inaugural season of 2022, Flagler Lacrosse has already planted seeds of greatness. The Saints' women's team won conference regular season and tournament championships while advancing to the NCAA tournament in only their second season. The men's team advanced all the way to the conference tournament championship game in 2023 while playing one of the toughest schedules in all of Division II. In only their third season, both teams are already near the top of the national rankings in 2024.

To secure the national championships for which we strive, we need you to rally behind Flagler Lacrosse now. Please consider helping Flagler College produce champions in the nation's oldest sport played in the nation's oldest city!

PROJECT GOAL
\$3,200,000

It's time to build the future of Flagler Lacrosse.

MESSAGE FROM THE DIRECTOR OF ATHLETICS.

Dear Saints Nation,

It didn't take long for our Men's and Women's Lacrosse programs to establish themselves among the very best NCAA Division II teams in America. In 2023, only their second season, the Saints' women's team earned conference championships, an NCAA Tournament berth, and a #11 national ranking, while the men's team continued their meteoric rise and just missed out on the conference tournament championship. Both teams are nationally ranked in 2024.

In addition to the teams' competitive success, Flagler's lacrosse student-athletes have excelled in the classroom, served our community selflessly as volunteers, and conducted themselves as outstanding citizens on our campus. Their representation of our beloved institution should make everyone in Saints Nation proud.

This impressive and almost-immediate success came in spite of the lack of some vital facilities. Unfortunately, both the men's and women's teams are currently operating without the benefit of locker rooms. With well over 100 student-athletes on our two teams combined, this is undoubtedly one of our greatest needs. This is where we are asking for your help!

The current lack of locker rooms for our student-athletes is a void in the program that will hinder our ability to continue to attract the high-caliber athletes who will help us fulfill our mission of maintaining nationally competitive programs. Another key component of our mission is to provide an outstanding collegiate athletics experience for all of our student-athletes. Locker rooms for our lacrosse athletes will enable us to fulfill that important objective. With that in mind, we have embarked on this effort to garner the necessary financial support to construct locker rooms, as well as an entry building that will house ticket windows, concessions, and public restrooms for our fans.

Our goal is to secure the full funding for this project in 2024 and then immediately commence construction. As you peruse this brochure, you will learn more about this initiative and we hope that you will be inspired to contribute to the cause.

Should you have questions about this exciting project, I would love to hear from you at any time. Thank you in advance for helping us take this important step FORWARD for Flagler Lacrosse!

Sincerely,

A stylized, handwritten signature in white ink that reads "Jud Damon". The script is fluid and cursive.

Jud Damon, Director of Athletics

A FACILITY FOR CHAMPIONS

Flagler's beautiful lacrosse facility will not be complete until our teams have first-class locker rooms and our fans have the necessary comforts that the proposed new buildings will provide. With their construction, the student-athlete experience of Saints lacrosse players and the fan experience of Saints Nation will rise to the level that is expected of any program that bears the great name of Flagler College. Your support will make this vision become reality!

HOUSING CHAMPIONS REQUIRES REIMAGINED FACILITIES

One of the proposed new buildings will feature spacious, modern locker rooms for our men's and women's lacrosse teams. It will also house a state-of-the-art athletic training room for the care of our student-athletes as well as officials' dressing rooms, equipment storage areas, and an impressive entry lobby.

SUPPORT THAT EXCEEDS EXPECTATIONS

This first-rate collegiate lacrosse facility will be an unmatched environment for our student-athletes' support and development. The well-resourced locker rooms will create a magnetic atmosphere that secures talented prospects, builds on our culture of greatness, and creates champions.

ATTRACTING AND NURTURING GREATNESS

High-caliber athletics facilities attract top-rate athletes. Athletics facilities are also highly visible reflections of our institution as a whole. Thus, we are committed to providing attractive and high-functioning accommodations for our outstanding lacrosse programs.

PROJECT GOAL: \$3,200,000

PRIORITIZING FANS TO INSPIRE VICTORY!

As fans of Flagler Lacrosse enter the beautiful Flagler College lacrosse facility, essential amenities will be at their fingertips. Equipped with ticket windows, public restrooms, and a concession area, the proposed new entry building will cater to the spectator experience. The addition of a dining pavilion area will provide fans with a space to gather, enjoy concessions, and contribute to the lively atmosphere of lacrosse home events.

Your support for Flagler Lacrosse initiatives like this is truly impactful and your commitment helps to pave the way for victory while ensuring opportunities for our players' academic and athletic success. We want to continue to foster the sense of community that has naturally sprung up around this one-of-a-kind athletics program.

FIND YOUR WAY TO MOVE FLAGLER FORWARD.

Gold	\$2,500	Friend	\$100

CAN WE COUNT ON YOU?

PRESIDENT JOHN A. DELANEY

Flagler College President, 2021-Present

“Flagler College is exceedingly proud of the immediate success of our men’s and women’s Lacrosse teams. We are also well-aware that their continued success requires the provision of quality facilities for our student-athletes, staff, and fans. Please allow me to thank you in advance for your consideration of supporting our effort to ensure that the Flagler Lacrosse programs are equipped to be counted among the very best in all of NCAA Division II.”

BRIAN DUNCAN

Head Men’s Lacrosse Coach, 2020-Present

“The addition of the men’s and women’s Locker Rooms and Entry building will secure Flagler College as a top destination for Division II lacrosse. The locker rooms will provide a central home for our players and make a great impact as we continue to build our championship culture.”

“The locker room would be a great addition to our team where we can come together and create strong bonds, support each other, and become an even stronger team. The addition would be the heart of our program, where we build trust and camaraderie.”

TYLER DOUGLASS

Junior Midfielder, Team Captain

GRANT KELAM

Head Women’s Lacrosse Coach, 2020-Present

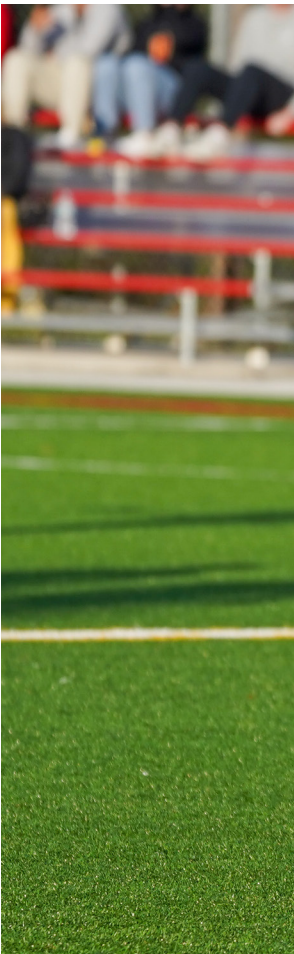

“The construction of a locker room facility would cement Flagler as a top tier lacrosse facility in the NCAA. The impact on the team’s culture would be immeasurable. Having a facility that provides space to gather, and enhance the team relationships both on and off the field is imperative to the complete student-athlete experience that we strive for here at Flagler College.”

“Having been a part of Flagler Lacrosse since its start, the program has proven that its success and growth within the community is only going to swell. Having a locker room to celebrate what we will accomplish would greatly benefit the team culture, and appeal to future Saints!”

CARLY LAFERRIER

Junior Midfielder, 2x Team Captain
