Questions?

We're happy to help you!

The Parking Office is located at the Malaga Street/Abare Commons.

We're open Monday-Friday, 8 a.m. – 4 p.m.

You may contact us by calling **904-826-8571** or email us at **parking@flagler.edu**

Parking Notice:

- Parking lot availability is subject to change, and closures may occur without prior notice. Please follow all posted signage for the most current information.
- Reserved or designated parking spots are marked with signs posted in front of the space or on yellow wheel bumpers.
- Not all parking lots are available year-round. Some lots are only open during the academic semester when school is in session. Additionally, certain lots are available only Monday through Friday, between 8:00 a.m. and 5:30/6:00 p.m. Parking outside of these times is not permitted and may result in towing at the lot's discretion.
- Possession of a valid parking permit does not guarantee a parking space on campus, nor does it entitle you to a specific spot. Parking is available on a first-come, first-served basis and is subject to availability.
- The Parking Office is solely responsible for enforcing parking regulations. For questions or additional information, please contact the Office of Parking directly.

The Office of Business Services, in coordination with the Office of Safety and Security, establishes and enforces campus parking policies. As with most urban colleges, a valid parking permit is required. These policies are designed to help ensure students have access to parking near campus.
